STATE OF MAINE

**ONE HUNDRED AND TWENTY-SEVENTH LEGISLATURE
COMMITTEE ON VETERANS AND LEGAL AFFAIRS**

March 9, 2016

Honorable Michael D. Thibodeau

President of the Senate

Honorable Mark W. Eves

Speaker of the House

State House

Augusta, Maine 04333

Dear President Thibodeau and Speaker Eves:

Pursuant to Title 3 Maine Revised Statutes, chapter 35, we are pleased to submit the report of the findings and recommendations of the Joint Standing Committee on Veterans and Legal Affairs from the review and evaluation of the Bureau of Alcoholic Beverages and Lottery Operations including the State Liquor and Lottery Commission under the State Government Evaluation Act.

In summary, the Committee found that the Bureau of Alcoholic Beverages and Lottery Operation presented a thorough report demonstrating that they are acting within their statutory authority and meeting the goals and objectives as the agency responsible for operating the lottery and the state's spirits business. Additionally, the bureau is adjusting well in its relatively new role as the agency charged with administering licenses under title 28-A and enforcing the liquor laws in partnership with local communities with which they have memorandum of understanding.

The Committee believes that some additional reporting will help facilitate its role as the committee of oversight with regard to the operation of the lottery and the state's spirits business. We recommend that the director of the bureau provide annual reports of revenues generated from the spirits sales in the state and expenditures made to promote the lottery sales through marketing and advertising.

Pursuant to Title 3 Maine Revised Statutes, chapter 35 (§955), we are submitting legislation to implement the recommendations made in this report.

Sincerely,

S/Senator Scott W. Cyrway

RESOLVED: That We, the Members of the One Hundred and Twenty-seventh Legislature now assembled in the Second Regular Session, on behalf of the people we represent, take this opportunity to recognize the American Legion on its 97th anniversary and the contributions of its members to their communities and the State; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the headquarters of the American Legion, Department of Maine.

READ.

The SPEAKER: The Chair recognizes the Representative from Newport, Representative Fredette.

Representative **FREDETTE**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House, very briefly, you may have recognized that in the Order, the Joint Order, that this organization is 97 years old and so, very shortly, in three more years, will be coming upon a century of service to our country as an organization. But we should not fail to recognize that as an organization, it is primarily made up of individuals who have decided to make the call to duty to serve in our military a number one priority in their lives.

And as someone who continues to serve in the Maine Air National Guard and the United States Air Force Reserves, I recognize those one percenters that do step forward to take the call to recognize that there are times when people do need to

deploy to fight the fight that this nation must engage in to keep our people safe so that we can have the freedoms that we enjoy—the freedoms of speech and the freedoms of assembly and the freedoms to vote as we do and as we are currently today.

I also want to recognize, again, as this organization, I suspect many of you were actually participants in the Boys State and Girls State program. I did that 10 years ago when I was 18, and—it might've been 20 years ago. But, you know, the Boys State program, again, I suspect there's lots of us that were here that participated in that program that, again, it's just a great program that continues to thrive today and it bring people, not only in to recognizing the importance of what the American Legion is about in terms of sponsoring that program, but what public service is about and why people need to be engaged in what we're doing right here today in terms of representing 151 House districts throughout the state—Democrats, Republicans, Greens, and Independents, alike—and basically operating our government along with the other branches of government.

And so, I certainly want to recognize the work and the dedication that so many people in this country have done for the last 200 years plus, and will continue to do. But more importantly, that the American Legion, and there's people that we all see out there in the hall, every day that we're here, they're here advocating for their organizations and for the military and the things that they believe in. I want to congratulate the American Legion on this honor, but I look forward, more importantly, to three years from now when they will be a century old and we will recognize, even then, the more work that they've accomplished. And so, congratulations to the American Legion. Thank you, Mr. Speaker.

The SPEAKER: The Chair recognizes the Representative from Norridgewock, Representative Farrin.

Representative **FARRIN**: Thank you, Mr. Speaker, Ladies and Gentlemen of the House, I rise to congratulate the American Legion on their 97th birthday. As a proud member of American Legion Post No. 39 in Madison, as well as an American Legion rider, I encourage all of us to be involved. There's a number of different organizations with the American Legion: the Auxiliary, the Sons of the American Legion, and I know how tirelessly they work on behalf of our veterans, their families. The good Representative from Newport spoke about Boys State and Girls State, homeless involvement, scholarships. They're really part of our community throughout all of our districts, throughout the State of Maine, and I just want to congratulate them on their 97th birthday.

Subsequently, the Joint Resolution was **ADOPTED**.

Sent for concurrence.

SPECIAL SENTIMENT CALENDAR

In accordance with House Rule 519 and Joint Rule 213, the following item:

Recognizing:

the Gorham High School Girls Basketball Team, of Gorham, which has won the 2016 Class AA State Championship. We extend our congratulations to the members of the team on their achievement and offer them our best wishes;

(HLS 1093)

Presented by Representative SANBORN of Gorham.

Cosponsored by Senator VOLK of Cumberland, Representative McLEAN of Gorham.

On **OBJECTION** of Representative SANBORN of Gorham, was **REMOVED** from the Special Sentiment Calendar.

READ.

The SPEAKER: The Chair recognizes the Representative from Gorham, Representative Sanborn.

Representative **SANBORN**: Mr. Speaker, Ladies and Gentlemen of the House, it has been eight long years representing Gorham in the House hearing recognition of many other towns' winning sports teams, and finally, just in the nick of time, for me, Gorham has its big win. I am so proud to be able to pay tribute to the first ever Class AA Girls Basketball Champions, the Gorham Girls High School Basketball team. What a fantastic season it has been for the Gorham Lady Rams, who were undefeated, going 21-0 for the entire season.

As Athletic Director Tim Spears shared, there were ups and downs throughout the season, but the team fought through all of the adversity with hard work and determination. In a recent *Gorham Times* article Coach Berthiaume said, "It involved a tremendous amount of commitment and perseverance along the way. I don't think at this time the girls recognize how truly difficult it was to accomplish what they did. Twenty years down the road, they will still remember how they felt in that moment." I have no doubts that that will be true.

The Lady Rams had only two seniors, with four juniors, three sophomores and three freshmen—so look out, Maine—I expect many fine seasons ahead. Molly Merrifield and Emily Bragg provided great leadership as senior team captains. Emily Esposito has scored over 1,000 career points playing for Gorham as a junior and is just one of many fine players. Coach Laughn Berthiaume was selected as the McDonald's State Class AA Coach of the Year. Congratulations, Coach.

I know that this championship team has brought tons of energy and a feeling of solidarity to Gorham, a town that already is a special place to live, by winning this Gold Ball. Congratulations to all the Lady Rams, their coaches and their families.

The SPEAKER: The Chair recognizes the Representative from Gorham, Representative McLean.

Representative **McLEAN**: Thank you, Mr. Speaker. Mr. Speaker, Men and Women of the House, I also want to offer my congratulations for winning the AA State Championship. I happened to be at the game and it was a very, very exciting game. It went back and forth and it was one of the best basketball games that I have watched in a long time.

So, I want to extend my congratulations on a hard fought victory, but I also want to extend my congratulations on a tremendous year. It takes a lot to put together a winning team and it takes a lot of talent to make that all happen. So, I want to extend my congratulations to the Gorham High girls basketball team.

Subsequently, the Sentiment was **PASSED** and sent for concurrence.

An Act To Support Maine People in Recovery

(H.P. 1019) (L.D. 1496)

(C. "A" H-546)

Was reported by the Committee on **Engrossed Bills** as truly and strictly engrossed.

On motion of Representative McCABE of Skowhegan, was **SET ASIDE**.

The same Representative **REQUESTED** a roll call on **PASSAGE TO BE ENACTED**.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The SPEAKER: The Chair recognizes the Representative from Calais, Representative Maker.

Representative **MAKER**: I'm sorry, Mr. Speaker, Ladies and Gentlemen of the House, we're jumping the gun on this one. Much of the conversation regarding Maine's drug crisis has been centered on dealers that are peddling the drugs. However, 78 percent of adult drug arrests involve possession violations; not sale or manufacturing. It is crucial that we provide services to these people so that their addiction does not become a life sentence.

This legislation will provide funding for three new centers in different parts of the state to coordinate and run peer support programs to help people in recovery from the drug addiction. Peer support programs have proven to be effective in preventing relapse and promoting sustained recovery from substance abuse. These services are delivered by individuals who have common life experience that provide them with unique capacity to help each other based on shared affliction and deep understanding of this experience. These centers could be coordinated and housed within existing health care settings. It must be located in underserved areas outside of our larger cities.

It is my hope that two of these locations will be in Aroostook and Washington County. Since some recovery centers were funded through the Targeted Comprehensive Substance Abuse Bill early in the session, my hope, of course, is to provide some help in rural Maine, like mine. I have been told that none of the previous funds will help Aroostook or Washington County. I'm very concerned that because our numbers are not large, these rural areas may be overlooked.

Part of my experience when I served on our local school board was to serve as their representative on the Drug, Alcohol Committee. During that time, I had the opportunity to talk with several people that returned to our area after treatment. One of the biggest complaints was—and still is—that there is no place to go for additional help when they return home. If we are to work on this problem in this state, we need to have a resource center they can go for help. Drug addicts are not a lost cause.

As in 2014, 40 percent of those arrested for drugs in Maine were under the age of 30. These are young people in need of assistance and it should be available to those who make the choice to end the cycle. We are asking you for your consideration to give us the resources to help our rural communities and to help our kids. We need help for our constituents. We can't keep sending people to Bangor, Augusta, and Portland for help. There has got to be a better way. I know there is a better way. I don't believe this legislation is a final solution, but I do believe it's a step in the right direction. Thank you, Mr. Speaker.

The SPEAKER: A roll call has been ordered. The pending question before the House is Passage to be Enacted. All those in favor will vote yes, those opposed will vote no.
